

The Faculty of Chemistry and Pharmacy of the Julius-Maximilians-University of Würzburg invites applications for the faculty position of a

## **Professor of Clinical Pharmacy and Applied Biochemistry (W1 with tenure track W2)**

to be filled by 01.07.2023.

The professorship is located at the at the Institute of Pharmacy and Food Chemistry and is intended to strengthen its research profile in clinical pharmacy, for example in spectroscopic, spectrometric, or imaging analyses of biopharmaceutical and/or pharmacokinetic processes. Willingness to play an active role in ongoing and planned collaborative projects including drug discovery is expected.

The successful candidate will contribute to the teaching of Pharmacy in Clinical Pharmacy and Clinical Chemistry as well as related topics in Food Chemistry. The University of Würzburg attaches great importance to excellence in the supervision of students and doctoral candidates and expects high levels of engagement from teaching staff. Non-native speakers should have German level C1 or Goethe certificate C2 skills at the time of employment or obtain these within the first two years after employment.

Candidates are expected to have a relevant university degree, preferentially in pharmacy, high didactic aptitude with initial teaching experience in pharmaceutical sciences, preferentially clinical pharmacy. Experience in academic self-administration is desirable but not a prerequisite. A demonstrated ability for scientific research as usually proven by an excellent Doctoral degree, in addition to further scientific qualification and achievements is expected.

The University of Würzburg aims to increase the proportion of women in research and teaching and, therefore, strongly encourages applications from suitably qualified female academics. Severely disabled applicants will be given preference in the case of equivalent qualifications.

Applications should be sent electronically with the appropriate documents (cover letter, the provided standardized data registration form (.XLS), dated and signed CV, references, relevant certificates and transcripts, list of publications including the five most important publications, list of courses and lectures given, acquired funding, outline of planned research,

teaching concept) by **31.08.2022** via e-mail ([w1w2klinpharm@uni-wuerzburg.de](mailto:w1w2klinpharm@uni-wuerzburg.de)) in PDF format to the Dean's Office of the Faculty of Chemistry and Pharmacy.
